Ki Anne's Heart Transplant Benefit

Calling all archers to "Shoot for the Heart." The Beloit Field Archery Club is opening its doors to have some fun and raise needed funds for Ki Anne Erb. Ki Anne is currently on a heart transplant waiting list and needs our help. We welcome traditional & compound, target & hunter and young & old archers that believe in supporting a great cause at a great event. Three different rounds offer something for everybody—Enjoy one or enjoy them all. Shoot sponsors are offering great items for raffles, drawings and prizes. Bring a friend and have a blast while you the "Shoot for the Heart."
